

Woodcreek Little League Player Code of Conduct

We, Woodcreek Little League, have implemented the following Player Code of Conduct for the important message it holds about respect and responsibility. Players should read and understand this form prior to participating in our league.

Any player found to have engaged in improper conduct at any game or practice will be asked to leave the sports facility with their parent and be suspended from the next game and any practices before the next game. Any player found to have been engaged in improper conduct off the field may be subject to disciplinary action at the discretion of the Board of Directors. Repeat violations may result in a multiple game suspension, or the forfeiture of playing privileges for the remainder of the season.
